Subject: Cong. Tonko Letter on PFAS Data

Charlotte – checking. Heads up that the Tonko letter is part of a coordination effort with other oversight requests on PFAS. Please let me know if any questions. Thanks,
Sven

I want to add one more meeting request. It's on the Tonko/Welch PFAS Data request. We'd like to have our technical folks and career OPPT leadership meet with their staff prior to the due date of the letter. Can you help us set that up as well? Thanks.

Nancy – what's your sense of timing – would Alex be available as early as this week? Preference for in person or a call? I'm checking with OCIR mgmt who may want to wait until the pending nominations are settled. Please let me know if any questions. Best,
Sven
